Thank you for considering a Brown's Bakery Fundraiser for your organization. Here is how our fundraising program works:

1. Contact us at 717-428-2036 x265 or email [Randi@BrownsOrchards.com](mailto:Randi@BrownsOrchards.com) with your choice of Pick Up Date. **Brown's Fundraisers can be picked up Tuesdays, Wednesdays or Thursdays.** We require a 2-week notice from placing your order to the pick up date. Brown's fundraisers cannot be scheduled on the following **2023 Black Out Dates: Mar. 27-Apr. 9th, Nov. 13-26 and Dec. 11-27.** When scheduling your date, please keep in mind that Brown's Bakery does not use preservatives in their products. Most items have a 2-4 day shelf life so delivery to your buyers in a timely manner is very important.
2. We will email you the fundraiser due date and order form which you can photocopy or email out to your sellers. **Customers will make payments directly to your organization, do not have them write checks out to Brown's Orchards.**
3. A representative from your organization emails in the order to [Randi@BrownsOrchards.com](mailto:Randi@BrownsOrchards.com) by the due date given to you upon sign up.
4. We will send you a confirmation email including a payable invoice that will be due at time of pick up.
5. To reduce the possibility of damage to our products, they are packaged into large cardboard boxes for transportation and **a truck or van is generally required for pick up.** We will include an estimate on the number of boxes your order will require once we have your order. (Delivery of your products to a central location is possible for a fee, if interested)
6. At time of pick up, the organization's representative will be required to count the items and sign a document verifying that they have received everything for their order prior to leaving Brown's.
7. Brown's does not provide sorting by salesperson. Your order will deliver in bulk packaging and will require your team to sort and distribute by hand to your individual sellers.
