Cherry Cheesecake Brownies

Adapted from princesspinkygirl.com

Ingredients:

Family-size brownie box mix plus eggs, veg oil & water as directed on box mix for cake like brownies
1-1/2 cups Brown's Country Cherry Pie Filling
8 oz cream cheese, room temp
3/4 cup powdered sugar
1/2 tsp vanilla extract
1/4 cup heavy cream, cold
1 Tbs all purpose flour

Directions:

Preheat oven to 350°F. Line 9x13 baking pan with parchment allowing it to hang over sides to easily remove brownies once baked.

Mix up the brownies according to the recipe on the box. Look for directions for cake-like brownies. Pour batter into the prepared backing pan.

In a medium mixing bowl with a handheld mixer on low, cream together cream cheese and powdered sugar. Add vanilla, heavy cream and flour and mix. Evenly dollop spoonfuls on top of the brownie batter. Now add dollops of the cherry pie filling onto the brownie batter in between your cream cheese dollops. Use a butter knife to gently swirl the cream cheese & cherry.

Bake 50-55 minutes or until center is no longer jiggly. Cool in pan on counter, then chill in the fridge at least 3 hours. Serves 12.
