*Whether it's the early morning mist over the orchards or the way the sun kisses the leaves of the apple and peach trees at sunset, you can find a little bit of magic everywhere you look. Since 1948, Brown's has transformed from a small roadside stand to one of the region's most-loved destinations. Family values run through the very core of the Brown's Orchard experience and our orchard weddings are no exception. Our staff focuses on the smallest details to make your wedding an event you'll cherish forever. Your appley-ever after begins at Brown's.*
